Delegation

- *Useful Data*
- *Interesting Projects*
- *Delegation*

WHY?

WHAT?

- *Open Authentication*
- *Public API Access*

Open Authentication *v2.0*

***Secure delegated access
to a third party***

Eg: Student Timetables

Public API access

Data that isn't sensitive

***Rate-limited access to
such data***

Eg: List of courses offered

Eg: Prerequisite Trees

Eg: Faculty office hours

- *Open Authentication v2.0*
- *Public API Access*

*A culture of
self-help among students*

***With cooperation from
the ERP***

win-win-win

Thank you!
